Note: Nursing management/supervisory references are required from current/previous employers, covering the last three years of employment. If you have had only one employer for the past three years or more, one reference will be required from that employer. If you have had two or more employers in the past three years, a separate reference will be required from each individual employer.

If for part or all of the previous three-year period you were involved in full time education, a reference will be required from your academic institution, covering the period of such full-time education.

If you have any gaps in employment during the past three years, as indicated in the 'Explanation of Gaps' section above, which are not accounted for by your nursing employment or academic references, then a character reference is also required from a person not related to you, who must have known you for past five years, be of good standing in the community and not be in a financial relationship with you.

The character reference must state how many years this person has known you and should briefly detail your good character. The reference can be sent to the employer, by e-mail, by the person providing the character reference, or placed on letterhead, signed and mailed directly to the employer.

WORK E-MAIL ADDRESSES MUST BE PROVIDED FOR ALL PROFESSIONAL/ACADEMIC REFERENCE CONTACTS. IF THIS IS NOT POSSIBLE, THE REFERENCE ITSELF MUST BE SIGNED BY HAND AND STAMPED WITH THE ORGANIZATION'S OFFICIAL STAMP.
