

**CAMBRIDGE UNIVERSITY**  
**HOSPITALS NHS TRUST -**  
**ONLINE NURSING**  
**INTERVIEWS**

**Chesham and Cpl Healthcare are very pleased to announce ongoing online interviews with the distinguished Cambridge University Hospitals NHS Trust**

**Cambridge University Hospitals** ('CUH') is one of the largest and best-known hospitals in the UK. The Trust comprises Addenbrooke's Hospital and the Rosie Hospital, offering general and specialist care and women's and maternity care respectively. The Trust provides healthcare for people in the Cambridge area, in southeast England, and specialist services such as transplantation, treatment of rare cancers and neurological intensive care for a much wider area.

Cambridge, located in the East of England, 50 miles north of London, is a unique and beautiful city, renowned for its world-class university and the thriving cluster of high-technology businesses that have grown up around it. A distinct advantage is its proximity to London: Cambridge is

well served by road and rail links and is within easy distance of the major London airports.

The city manages to combine its role as a historic city with a world-renowned University and in more recent years, a reputation as an internationally acknowledged center of excellence for technology and science.

**Cpl Healthcare** is Ireland's largest healthcare staffing organization and is the exclusive partner to Ireland's Health Service Executive across a number of staffing categories and regions. The company has been in operation for over 30 years and it recruits on average more than 2000 temporary staff each week and over 1000 permanent staff each year, across Nursing, Allied Health, Social Care and Healthcare Assistant disciplines. The company has won many prestigious recruitment industry awards over the years.

**Chesham Recruitment Inc.** is Cpl Healthcare's long - established recruitment partner in the Philippines and we have worked very successfully together over many years, recruiting nurses from the Philippines.

### **IELTS/OET REQUIREMENT:**
